

End of term and Christmas Concert

Wednesday 14th December will be the last day of term, with the normal opening hours of 8am-4pm.

We will hold our Christmas Concert on Thursday 15th December. We ask for the children to arrive at 10am (no earlier please) and the Concert will start at approximately 10.15am. The concert will last no longer than 45 minutes and afterwards we will be offering elevenses.

The children are invited to dress up in something Christmassy for example a robin, snowflake, reindeer, star, elf, angel or Christmas tree. If your child is not keen on dressing up, it could be as simple as a Christmas jumper. Please no Disney characters, princesses or superheros.

The children will sing a selection of their favourite songs, which we sing at school, as well as some well loved Christmas ones.

We are delighted that at the moment we are able to invite an audience for the first time in three years but I am afraid that we can only invite two people per family. Younger siblings are welcome and not included in the quota.
